

## **DOCUMENTS SENT TO GLENBOW MUSEUM**

The following documents are stored at the Glenbow Museum. More recent ones should be taken in from time to time. Any other copies can be purged when these are stored safely for future reference. In the Minutes Summaries a list of pertinent issues is contained in the president's binder to enable easier access to information. There are also summaries of the Amateur, Senior and Junior Tournaments in the History section on our web site.

To access information at Glenbow, this was received from Doug Cass, a contact at Glenbow:

*Once we have catalogued the collection there will be a link to a detailed inventory in the finding aids section. We do not normally digitize textual material so your members or others would have to visit Glenbow to see the papers and photos.*

The collection is indexed on the main Glenbow catalogue.
