CLGA Vice President's Report

The Calgary ladies golf association has had a great year of events and the weather to match them all.

- Meet with Alberta Golf regarding developing a shared plan for a shared City Girls Junior tournament. This is a process that will need some work and I will follow up with Director Shannon Lefroy Juniors Girls Director as well as our 5-year planner Andrea Kosa. This is a work in process. Alberta Golf has now assumed the responsibilities for the Maple leaf Tour.
- Working on a plan to find a marketing director to replace Monique Morrison who has now finished her term. This again is a work in process.
- Arrange for Rules officials for 2019 City Amateur and City Senior. This was completed and paid for to Alberta Golf. We will continue this process for 2020 tournaments.
- Work with the five-year plan and Andrea Kosa and identify players we can approach to represent us for our tournament requests.

If anyone would like to volunteer for a marketing position, please contact me as soon as possible to discuss.

I will be moving on to the role of President for the balance of 2019 -2020.

Cheers
