## **CLGA: Cancellation of 2020 Tournaments and Event Schedule**

Covid precautions prevail

For the first time since its inception in 1929, the CLGA is announcing the cancellation of its entire 2020 tournament and event schedule. The schedule includes:

- Rileys Best Ball
- City Amateur
- City Senior Amateur
- City Junior Amateur
- Junior Development Camp
- Medallist Series
- Tournament of Champions
- CHAMPS

The decision was made balancing the interests of all stakeholders including golf course managers and staff, volunteer event co-ordinators and their planning teams and event participants each of whom are seeking to keep safety, health and well being of everyone a top priority.

It is expected that golf course operations will soon include unprecedented new rules and restrictions promoting safe play on the course while respecting government mandated social distance guidelines. While we eagerly await the emergence of an Alberta Health approved "new golf experience", the CLGA stands ready to adopt the new practices in to its planning for the 2021 season.

We thank everyone involved in the planning and execution of 2020 events to date and wish everyone joy in activity of all kinds as we move towards our new normal.
